

“Since getting my Interceptor I know my chair can turn and move as fast as I can. It is completely designed around my requirements and preferences which means I now perform to the best of my ability. I have now broken into the GB mens squad and I owe a great deal to RGK and my chair.”

▶ Harry Brown, Sheffield Steelers and GB Men’s team

INTERCEPTOR

For many years the "industry standard" and choice of the worlds top basketball athletes.

The ability to specify all areas of the design and build ensure the Interceptor is a great way to improve your game. Accept no imitations!
