*“My Elite is by far the lightest and most responsive chair ever. I can now push and turn faster than ever giving me more time and space on court.”*

► Terry Bywater, GB basketball

# elite

The ultimate basketball chair the Elite is the choice of the worlds top basketball athletes and the official chair of the men's and women's Great Britain Basketball teams.

This product has been developed listening to top athletes in the game ensuring we have produced our lightest and most responsive basketball chair ever. RGK's Elite leads the way in design, performance and efficiency.
